Did You Know ?

- * We need a copy of your passport for permit completion
- * It will be helpful if you have 'pre-set' ideas about how you want your trophy's
- * You have to pay, for wounded animals and even if you fire a shot at a Leopard
- * That you have to trust and respond on the "Calls" of your PH, Driver and tracker
- * That our skinner's 'work' by average 50% longer hours than their domestic colleague's by preparing and trimming your trophy's
- * That you have to pack a power converter from 220 volt to 110 volt, to charge appliances
- * The Namibian Ministry of Environment, have strict Regulations and Conditions.

Ten Commandments of Firearm Safety:

1. Treat every firearm as a loaded weapon
2. Muzzle and Action must be clean & clear of all & any obstruction
3. Beware where you point the muzzle at all times
4. Never Point a firearm at anything you do not intended to shoot
5. Be sure of your target before you shoot
6. Never climb a vehicle, a tree or fence or jump a ditch with a loaded firearm
7. Unload firearms when not in use
8. Never shoot bullet at a flat hard surface or water ~ {ricochet}
9. Store guns, bolt and ammunition separately
10. Avoid alcoholic beverages & drugs before or during the use of a firearm

Namib Sun Hunting Safari endorse the utilization of living natural resources on a sustainable basis.
